The International Studio & Curatorial Program announces the 2019 ISCP Benefit Auction. Conducted exclusively through Artsy, the auction offers a range of affordable contemporary art works by established, mid-career, and world-renowned artists, including ISCP alumni. Over fifty international contemporary artists and generous supporters are joining ISCP's mission as we celebrate our 25th anniversary by donating all auction proceeds. The funds raised will support the program, and pay to bring artists and curators from areas of the world that do not have significant cultural infrastructural funding.
