

CELEBRATE THE STUDIO FAQ

Where will Celebrate the Studio be held?

Celebrate the Studio will be held virtually through Zoom on your computer or phone. You will receive an email 1 hour before the event with a link to join the event. When you click the link, you will be prompted to download Zoom, and to enter the email associated with your Zoom account to join the event. Learn more [here](#) about Zoom.

How much does it cost to attend?

Celebrate the Studio is free and open to all! The event marks the final hours of ISCP's 2020 Benefit Auction, and we encourage all to either place a bid (artsy.net/iscp-auction) or make a donation [here](#) to support ISCP's programs.

How do I bid in the 2020 Benefit Auction?

Celebrate the Studio celebrates the conclusion of ISCP's 2020 Benefit Auction, which ends at 1pm EST on September 11th. To place a bid, you will first need to register with Artsy [here](#). Then visit our auction page [here](https://artsy.net/iscp-auction) (artsy.net/iscp-auction) to place your bid.

What do I do if I have questions about an artwork?

Please reach out to Juliana Cope, Director of Development at jcope@iscp-nyc.org - she would be happy to speak to you about any of the works in the auction. You can also reach out to an Artsy representative at specialist@artsy.net.

Will other guests be able to see and hear me?

We will be able to see you, but not hear you - all guests will be muted so that we can all hear our speakers. If you would prefer not to be on camera, you are welcome to turn it off. You can also call in to the event on your phone, but you will not be able to see any of the speakers or other guests.

Do I need a computer to attend?

We recommend that guests join the event from a computer or through the Zoom app on your phone so that you can best see and hear our speakers. You can also call in to the event on your phone, but you will not be able to see any of the speakers or other guests.

Will the event be recorded?

Yes.

Who do I contact if I have trouble joining the event or have other technical difficulties the day of the event?

Please refer to Zoom's FAQ page [here](#). If you are still having trouble, please email info@iscp-nyc.org. We will be monitoring emails as best as we are able during the program, but please be patient with our responses
